

KARLTUN MORENO

Full Stack Web Developer - Digital Media Specialist

karltunmoreno@gmail.com 818-317-4178

A professional web developer and effective communicator who is able to lead brand web production and web design. A thriving content media specialist that handles pre-production, production, and post-production under tight schedules. Fluent in English and Spanish. Also, a full stack developer; front & back end applications development manager. I am a passionate team player.
